E-magazine Advantages

- **Direct Links to Advertisers' Homepage**
While the ad on the screen may be static, the updated information on your homepage will provide the latest information even with older advertisements.
- **Instant Viewing**
The magazine reaches the reader as soon as it is ready for publishing.
- **Ubiquitous Access**
The electronic version can be viewed on PCs, tablet PCs, smart phones, and any device that has internet access or can load a PDF file.
- **Non-subscriber Access**
Each issue will also be available in sample form. The sample issues contain portions of many articles, but also includes all advertisements. The sample is viewable for free by any interested party.
- **Portability**
Because the format is portable, readers and advertisers can use their handheld devices to show articles and advertisements to those without internet access at the moment.

Reach the World

Advertising in *Converttech International* provides you with a way to reach all corners of the converting world. Our readership is not limited to one aspect of the industry, so your advertisements will be seen by potential customers, as well as those who will ask your customers to use your products.

Converttech International is a quarterly magazine.

Expected issue dates are around the end of January, April, July, and October.

Advertising order must be sent by email one month before the date of issue.
